AMURU

28 October, 2014.

Dear my friend in the U.K.

I am very happy to write this letter to you.  
I am Eunice in primary seven from Agwayugi Primary School  
in Amuru district Northern Uganda.

I like to be a friend in UK. I am working hard to become  
an important person such as teachers, doctors which  
help many people in my society to live a better life.  
That is why am trying to work hard at school to get  
higher marks during my final exams this year, so that  
I go to another level next year.

When I was at home I help my parents to do some  
domestic work on week ends.

During my holidays, I ~~do~~ do many works which gives  
me money so that I help my parents to buy my schoolatics  
materials for another term.

The works which I do are digging in the garden, cooking  
and facing water, I did these all to show respect to my  
parents.

In school, I like learning English because I am  
interested in it.

And then we will talk alot if you reply my  
letter.

Thanks

yours friend

Akuni Eunice
